Present: Baur, Buyco, Elahi, Jochim, Joshi, Madura, Pendyala

Absent: Lee, Muñoz-Muñoz

Financial impact:

O&G predicts no significant financial impacts from the proposed amendments.

Workload impact:

O&G forecasts that workload impacts on current ISA members will likely improve. Reducing ISA's size will allow more targeted and efficient execution of committee responsibilities.

New staff seats will create additional burden for new staff senators. Newly elected staff senators will need the support of their supervisors, SJSU administrators, and the SJSU Senate to collaboratively organize their administrative and senate responsibilities. O&G recommends that campus administrative leaders encourage and support staff participation on the senate and collaboratively work with their staff on innovative approaches to meeting all responsibilities¹.

¹ Strategies to discuss might include task automation or AI-assisted work completion, for example.
